

MOTORISED CART POLICY

The following rules are to apply:

- Not to be driven within 10 meters of the green surrounds unless on established pathways.
- Do not park cart in front of green.
- Keep cart in rough areas where possible during wet and frosty conditions when there are no allocated paths.
- Always apply brake when cart is not in motion or left unattended.
- Avoid freshly laid grassed areas, new plants & GUR areas.
- Abide by all 'no cart' signs on the course.
- All member's personal carts must be registered with reception and have an allocated sticker to prove insurance - noncompliance will result in eviction from the course.
- Carts at tees must always stay on the designated paths.
- To be driven slowly and negotiate slopes carefully.
- Avoid damage from overhanging trees.
- All blue lines are official directional signs.
- There is no limit to the number of carts permitted in a competition group.
- A maximum of two (2) people on a buggy at a time.
- Persons must hold a valid driver's license to drive motorised carts on Club property
- All players driving motorised carts must adhere to the daily course conditions of play which are posted on the local rules board.
- Visitors are not allowed to bring their own carts on the premises of Pacific Golf Club.

90 Degree Rule: Carts to be driven on cart paths and rough where no paths are available. Drive onto the fairway once you have reached your ball. Carts should then move immediately back onto the nearest path or rough to travel to the next shot.
