

# PAR 3 SOCIAL CLUB

## JOIN US TODAY!

### ARE YOU:

- New to golf?
- Just finished a clinic or course of lessons?
- Not yet ready to tackle the 18-hole course?
- Not confident enough to enter a competition?
- Looking for an enjoyable low-level competition game occasionally or regularly?

### MORE INFO:

We're a friendly group playing on the 9-hole par 3 course since 2004. Tee off Saturdays between 1pm and 2pm (and some mid-week), with drinks, socialising, and prize presentations afterward.

New members are welcome and will be guided by experienced players. Enjoy relaxed, low-pressure competition with others of similar skill. Perfect for easing into competition after coaching, before moving to the main course.

Plus, join our annual weekend trip to a different golf course!
