Start your journey at Pacific Golf Club

Discover our acclaimed Junior Golf Program – recognised as one of the leading programs in Queensland. Our Junior Program, managed by the Junior Committee and PGA Professionals, features weekly clinics and competitions. We also proudly host the Gary Player Junior Classic, upholding our commitment to nurturing the next generation of golfing talent for over four decades.

The Course & Beyond

At the heart of the club lies our 18-hole, Par 72 championship course offering an exciting challenge for players of every skill level, highlighted by stunning tree-lined fairways and strategically positioned water features. The graceful meandering of Bulimba Creek and its tributaries adds an extra layer of challenge to the course, enhancing the overall beauty of the parkland-style landscape, complemented by 42 thoughtfully designed bunkers. We also have a cart path through the entire course, enabling members to use carts through the wet season.

Our offerings extend beyond the course, with an 18-hole mini golf course, a newly built Pro Shop showcasing all your favourite clubs, apparel and accessories, access to PGA professionals for lessons and expert club fittings in our Golf Simulator lounge. Plus unparalleled practice facilities including a 1000 sqm putting green, warm-up bays, a 9-hole Par 3 course, and a short game area with two chipping greens and green side bunkers.

Eat & Drink

Our newly built clubhouse is where great food, great sips, and scenic views come together. The spacious deck overlooks our manicured golf course and 1st & 10th tees, creating the perfect setting for post-round relaxation. Open daily for café coffees, lunch and dinner, plus weekend breakfast, our bar & bistro provide a treat for the senses.
